

So...what are you doing with yourself next school holidays?

How about some awesome skiing and snowboarding?

Have you ever been skiing or snowboarding before ...or do you feel like a bit of a challenge?

Why not come on one of the Temple Basin School Holiday Weeks...They are fun-packed, well-supervised (to keep your parents' mind at ease) holiday learning to ski or snowboard in magnificent, isolated surroundings, while based in a comfortable modern lodge right beside the slopes.

Everything is on hand including recreation rooms, canteens, drying facilities, function room, unlimited hot water, heated bunk-rooms, new kitchens and all the conveniences of a modern home.

... and there is night skiing too! (But if you don't want to take advantage of the floodlit slopes and ski the night away, there's a great variety of games and activities that are organised by the staff.)

The Ski Area begins right beside the Lodges, and the first tow's only a few metres away. The 'ski lifts' are rope tows and require 'nutcracker' tow belts, which can be hired on the mountain. The tows service three main fields of varying terrain. Two are suitable for beginners and intermediates, while the third is for experienced people. Another area, Bill's Basin offers excellent skiing, as well as bowls and half-pipes galore for serious snowboarders.

This is what has earned Temple Basin the reputation of NZ's best snowboarding area!

Expert, patient tuition is provided and qualified Ski Patrollers are in attendance at all times, supervising safety and dealing with any problems. You may bring your own equipment to the field but ski and snowboard gear is available for hire from our well-stocked store to suit all ages and levels of experience.
